Awarded Best Craft Hard Seltzer

-2019 *The Growler* Kind of a Big Deal Awards

As humble Minnesotans, we normally hate to toot our own horn, but we think it's important for you to know that we went and made the best dang hard seltzer around.

Recently voted best craft hard seltzer in The Growler's annual "Kind of a Big Deal" Awards, our blood orange hard seltzer is cold, crisp, light and a totally refreshing fruit-filled flavor explosion.
