

SUMMER STATE OF MIND

ARRIVING ON SHELVES MARCH 2024

LONELY BLONDE • 4.8% ABV

The DNA of our best-selling, GABF award-winning blonde ale is a balanced blend of American pale and crystal malts with just a hint of wheat. German noble hops leave a lasting first impression and the crisp carbonation invites another introduction proving icons aren't born every day.

PEACH-MANGO LONELY BLONDE • 4.8% ABV

Bursting with juicy peach and bright mango, take the all-inclusive vacation with tropical waves of ripe stone fruit, pineapple, and citrus. As temps heat up, cool down with this summertime escape whose juice is worth the squeeze.

TROPICAL LONELY BLONDE • 4.8% ABV

Enjoy island time, anytime, with this tropical trifecta of tangy passionfruit, juicy orange, and exotic guava flavors. A fruit bowl of ripe citrus notes feels like a Hawaiian punch to your senses. This is your one-way ticket to a drinkable daydream.

RASPBERRY LONELY BLONDE • 4.8% ABV

Rosy in color, flavor and outlook, this fruit-forward ale is light in body, but high on impact. Fresh-picked raspberries on the nose give way to a subtly sweet, slightly tart, and refreshingly flavorful picnic blonde.
